

Kids In The Dark

All Time Low

Intro: **C#m A E B** (2x)
(The kids in the dark) (4x)

Verse 1:

C#m A
Here we are at the end of the road
E B
A road that s quietly caving in (caving in)
C#m A
Come to far to pretend that we don t
E B
We don t miss where we started (started)

Pre chorus:

C#m A
Looking back I see a setting sun
E B
Watch my shadow fade into the floor (floor)
C#m A
I am left standing on the edge
E B A
Wondering how we got this far (how we got this far)

Chorus:

C#m
They left us alone
A
The kids in the dark
E B
To burn out forever or light out the spark
C#m A
We come together state of the art
E
We ll never surrender
B
The kids in the dark so let the world sing
C#m A
What a shame what a shame
E B
Beautiful scars on critical veins
C#m A
We come together state of the art
E
We ll never surrender
B
The kids in the dark The kids in the dark
