E **B**
I need the time to leave behind everything I ve just seen

A **E B**
Cause I ve been living in a good dream, for far too long

E **B**
I need the time to realize everything was make believe

A
Dammit I was so naive

E **B**
You were never who you seemed to be

C# **E**
But all I ask, is for my fair chance

B **A**
Of making my way to the top of this industry

C# **E**
And with my own two hands, not a second glance

C# **A**
I ll make the impossible a possibility

E **B** **A**
So don t fuck this whole thing up for me, I thought we were a team

C# **B** **A**
but now you re kicking the legs right out from under my dreams

E **B** **A(hold)**
Don t fuck this whole thing up for me, you said that we were a team

C# **B** **A**
but now you re kicking the legs right right out from under my dreams
