F **C**
I need the time to leave behind everything I ve just seen

Bb **F** **C**
Cause I ve been living in a good dream, for far too long

F **C**
I need the time to realize everything was make believe

Bb
Dammit I was so naive

F **C**
You were never who you seemed to be

D **F**
But all I ask, is for my fair chance

C **Bb**
Of making my way to the top of this industry

D **F**
And with my own two hands, not a second glance

D **Bb**
I ll make the impossible a possibility

F **C** **Bb**
So don t fuck this whole thing up for me, I thought we were a team

D **C** **Bb**
but now you re kicking the legs right out from under my dreams

F **C** **Bb(hold)**
Don t fuck this whole thing up for me, you said that we were a team

D **C** **Bb**
but now you re kicking the legs right right out from under my dreams
