F# **C#**
I need the time to leave behind everything I ve just seen

B **F# C#**
Cause I ve been living in a good dream, for far too long

F# **C#**
I need the time to realize everything was make believe

B
Dammit I was so naive

F# **C#**
You were never who you seemed to be

Eb **F#**
But all I ask, is for my fair chance

C# **B**
Of making my way to the top of this industry

Eb **F#**
And with my own two hands, not a second glance

Eb **B**
I ll make the impossible a possibility

F# **C#** **B**
So don t fuck this whole thing up for me, I thought we were a team

Eb **C#** **B**
but now you re kicking the legs right out from under my dreams

F# **C#** **B(hold)**
Don t fuck this whole thing up for me, you said that we were a team

Eb **C#** **B**
but now you re kicking the legs right right out from under my dreams
