Intro
F# C#

F# C#
I was dreamin we were running from a city burning down, down, down.
F# C#
Made a break, a new escape, and let the world crash, down, down, down.

F#
Now there s a piece of me,
Tells me I shouldn t leave,
C#
Everytime I see your face.
(Everytime I see your face.)

F#
Because everytime,
You come around,
C#
Love you take my breath away.

F# C#
And I just wanna breathe until I take you in.
F# C#
I never want you to leave until I take you in.
(But the truth is...)

F#
She has no idea (no idea),
Bb
That I m even here (that I m even here).
F#
She has no idea (no idea),
Bb
That I m even here (that I m even here).

F# **C#**
Get a grip, slip and trip, oh the clumsy carries words, words, words.

F# **C#**
Paper-thin fingerprints on a softly spoken verse, verse, verse.

F#
Now there s so much of me,
Tells me not to leave,
C#
Everytime I see your face.
(Everytime I see your face.)

F#
Because your the type,
You come around,
C#
How do you take my breath away.

F# **C#**
And I just wanna breathe until I take you in.
F# **C#**
I never want you to leave until I take you in.
(But the truth is...)

F#
She has no idea (no idea),
Bb
That I m even here (that I m even here).
F#
She has no idea (no idea),
Bb
That I m even here (that I m even here).

F# **C#**
She s so close when I m so far away, when I m so far away,
Let me dream, let me stay.

F# **C#**
She s so close when I m so far away, when I m so far away,
I can sleep, I can dream, I can change...

F#
(Has no idea) **Bb**
But I m so far away,
(That I m even here.)
F#
(She has no idea,)
Bb
Now I m so far away.
(That I m even here.)
