

Cmaj7   Em   D   2x

**Cmaj7** **Em** **D**  
 When I was younger I was certain that I d be fine without a queen  
**Cmaj7** **Em** **D**  
 Just a king inside his castle, with an ocean in between  
**Cmaj7** **Em** **D** **A7** **Cmaj7** **D**  
 Now all I do is sit and count the miles from you to me. Oh, Calamity...

**Cmaj7** **Em** **D**  
 We get older by the hour, watch the changes from afar  
**Cmaj7** **Em** **D**  
 Keep forgetting to remember, where we've been is who we are  
**Cmaj7** **Em** **D** **A7** **Cmaj7** **D**  
 Now all I do is wonder why we ever set the scene. Oh, Calamity...

C G D  
 It s such a shame that we play strangers,  
 C G D  
 No act to change what we ve become  
 C G B Em  
 Damn, it s such a shame that we built a wreck out of me,  
 A7 Cmaj7 D  
 Oh, Calamity... Oh, Calamity...

**Cmaj7** **Em** **D**  
 I'll remember nights alone, and waking up to dial tones  
**Cmaj7** **Em** **D**  
 Always found my greatest moments, in the sound of your hello's  
**Cmaj7** **Em** **D** **A7** **Cmaj7**  
**D**  
 Now I struggle to recall the reasons you would come to leave. Oh, Calamity...

[ Chorus ]

 It s such a shame that we play strangers,  
**C G D**  
 No act to change what we ve become

**A7 Cmaj7**  
 Oh, Calamity... Oh, Calamity...

[Verse 3]

**Cmaj7 Em D**  
 If I catch you on the corner, will you even know it s me?  
**Cmaj7 Em D**  
 Will I look familiar to you? Do you offer me a seat?  
**Cmaj7 Em D A7 Cmaj7 D**  
 Can we find a new beginning? Do you turn the other cheek? Oh, Calamity...

 No act to change what we ve become
