

Painting Flowers

All Time Low

G **Am7**
Strange maze, what is this place?
Em
I hear voices over my shoulder,
G **Am7** **Em**
Nothing s making sense at all.
G **Am7**
Wonder, why do we race?
Em **G**
When everyday we re runnin in circles,
Am7 **Em**
Such a funny way to fall.
Cadd9 **Em** **Cadd9**
Tried to open up my eyes,
Em **Cadd9** **Em** **D9**
I m hopin for a chance to make it allright.

G
When I wake up,
D
The dream isn t done.
Em
I wanna see your face,
C
And know I made it home.
G
If nothing is true,
D
What more can I do?
Em **C**
I am still painting flowers for you.

G
Show my cards,
Am7
Gave you my heart,
Em **G**
Wish we could start all over.
Am7 **Em**
Nothing s makin sense at all.
Cadd9 **Em** **Cadd9**
Tried to open up my eyes,
Em **Cadd9** **Em** **D**
I m hopin for a chance to make it allright.
