

**Poppin Champagne**

**All Time Low**

**D**

You ve got me poppin champagne

**Bm**

I m at it again

**G**

Caught up in the moment

**A**

But not in the right way

**D**

I m falling in between

**Bm**

Tearing up at the seams

**G**

We re just aiming to please

**A**

And aesthetics don t hurt one bit

**D**

So follow me down

**Bm**

Take this all the way

**D**

Any way you want to

**D**

Why don t you say so?

**Bm**

I think I m caught in between

**G**

The nights and days fly by

**A**

When I m lost on the streets

**D**

And my eyes, they despise you for who I am

**Bm**

Why don t you say so?

**G**

**A**

Why don t you say so?

**D**

You ve got me thinking that

**Bm**

Lately I ve been wishing

**G**

The television set would show me more

**A**

Than just a picture of the things I've grown to detest

**D**

I strip down my dignity

**Bm**

They can take all of me

**G**

**A**

But they won't ever take what I still believe

**D**

So follow me down

**Bm**

Take this all the way

**D**

Any way you want to

**D**

Why don't you say so?

**Bm**

I think I'm caught in between

**G**

The nights and days fly by

**A**

When I'm lost on the streets

**D**

And my eyes, they despise you for who I am

**Bm**

Why don't you say so?

**G**

Why don't you say so?

**A**

Give up and let go

**D**

I'm just a boy with a dream

**Bm**

And you can take one look

**G**

As I fall in between

**A**

With my eyes just as wide as my mouth can be

**D**

Why don't you say so?

**Bm**

Why don't you say so?

**D**

**Bm**

I know, I know, I know

**G**

**A**

That there's a place for me somewhere out there

**D**

**Bm**

I know, I know, I know

**G**

**A**

That there s a place for me somewhere out there

**D**

Why don t you say so?

**Bm**

I think I m caught in between
