

**Poppin'**

**All Time Low**

(verse)

(N.C.)

Bm

You ve got me poppin champagne

**A**

I m at it again

**F#m**

Caught up in the moment

**G**

But not in the right way

**Bm**

I m falling in between

**A**

Tearing up at the seams

**F#m**

We re just aiming to please

**G**

And aesthetics don t hurt one bit

(bridge)

**F#m** **G**

So follow me down

**A**

Take this all the way

**F#m**

Any way you want to

(chorus)

**D**

Why don t you say so?

I think i m caught in between

**F#m** **G**

The nights and days fly by

When i m lost on the streets

**Bm** **A** **G**

And my eyes, they despise you for who i am

Why don t you say so?

Why don t you say so?

( **Bm** **A** **F#m** **G** )

(verse)

(n.c.)

You ve got me thinking that

**Bm**

Lately i ve been wishing

**A**

**F#m**

The television set would show me more

**G**

Than just a picture of the things i ve grown to detest

**Bm**

**A**

I strip down my dignity

**F#m**

They can take all of me

**G**

But they won t ever take what i still believe

(bridge)

**F#m**

**G**

So follow me down

**A**

Take this all the way

**F#m**

Any way you want to

(chorus)

**D**

Why don t you say so?

I think i m caught in between

**F#m**

**G**

The nights and days fly by

When i m lost on the streets

**Bm**

**A**

**G**

And my eyes, they despise you for who i am

Why don t you say so?

Why don t you say so?

**D**

Give up and let go

I m just a boy with a dream

**F#m**

**G**

And you can take one look

As i fall in between

**Bm**

**A**

**G**

With my eyes just as wide as my mouth can be

Why don t you say so?

**D**

Why don t you say so?

(Middle 8)

**F#m** **G**  
I know, i know, i know

**D** **A**  
That there s a place for me somewhere out there

**F#m** **G**  
I know, i know, i know

**D** **A**  
That there s a place for me somewhere out there

( **Bm** **D** **A** **G** )
