But you re always out to get me		

F#	B Bb B F#	B Bb B
You re the snake hidden in my daffodils when I m picking flowers

That s just my luck these days		
D#m	B Bb B	
Why can t you just be happy for me?		
F#	B Bb B	B Bb B
You re the break lines failing as my car swerves off the freeway

Okay, so this is with standard tuning, althought I believe that it is play by
downtuning all half a step.
So basically Playing G and Em instead of F# and D#m (if you want the real
chords)

Also always play that B Bb B even though I stopped writing it (for more clarity)
