

Tidal Waves
All Time Low

Verso:

D **A**
Falling on my face again
G
So I know I m right on track
A
It s hard for me to make amends
D
When you stab me in the back
A **G**
Sail it on to another sorry shore

Talking shit
A
Say I m your filthy little, filthy little...

Pré-Refrão:

Em **G** **Em**
Like I just happen to be in the right place right time
G
Just settle down

Refrão:

D **A** **G**
I earn my place with the tidal waves
I can t escape this feeling
That something ain t right
D **A** **G**
I call my name as I crash the gates
Still I can t escape this feeling
That something ain t right
Em **G**
Why don t you think before you speak
D **A** **G**
Cause you don t know me at all
D **A** **G**
You don t know me at all

Verso 2:

D **A**
Tell me how you really feel
G
Write it on the bathroom wall
A **D**
If anyone was watching I know you d say nothing at all

Treading water

A **G**
Yeah you re angry and you re bored

But I m sick of this

A
I m just your filthy little, filthy little...

Pré-Refrão 2:

Bm **G** **Em**
Like I just happen to be at the right place right time
G
But would you settle down

Refrão 2:

D **A** **G**
I earn my place with the tidal waves
I can t escape this feeling
That something ain t right
D **A** **G**
I call my name as I crash the gates
Still I can t escape this feeling
That something ain t right
Em **G**
Why don t you think before you speak
F#m
Cause you don t know me at all

Ponte:

G
Spread your lies
D
Like fireflies
A
In a white hot summer
F#m
Try to pull me under
G
You sharpen words
D
To use like knives
A
When you lose your colour there ll be nothing left

Refrão 3:

D **A** **G**
I earn my place with the tidal waves
I can t escape this feeling
That something ain t right
D **A** **G**
I call my name as I crash the gates
Still I can t escape this feeling
That something ain t right
Em **G**

Why don't you think before you speak

D A G

Cause you don't know me at all

D A G

You don't know me at all

Final:

D A G

You don't know me at all

D A G

You don't know me at all

D

You don't know me at all
