<b>G</b>		<b>D</b>
From the get-go I knew this was hard to hold,

To kids no consequences,

Pull the trigger without thinking,		
<b>A</b>		
Thereâ€™s only one way down this road,		

[Chorus:] (Open)

It was like a time-bomb started in motion,

**A**  
We were only destined to explode,

**B**  
If I had to pull you out of a wreckage,

**A** **G**  
I would never let you go,

**B**  
Weâ€™re like a time-bomb,

**A** **G**  
Gonna lose it letâ€™s diffuse it,

This is completely accurate because I watched the live video of Alex playing it in

Brussels on the 15th February 2011 and these were the exact chords he played.
