To Live And Let Go All Time Low My first song! These fit exactly with the track, but feel free to correct. Listen to song for timings. Capo on 2 Bbm G# Bbm Rush of the past G# Bbm C# Eb I quietly crash and the tables turn Bbm G# Bbm G# Bbm You re beautiful strange, defiantly brash C# Eb Be careful now C# Eb Kid you re a cut above C#  $\mathbf{E}\mathbf{b}$ C Always just a cut above the rest F# C# If there s something left to be learned G# Then my time is running Bbm (G#) F# Why should I waste it all wasted on you? F# C# G# I shouldn t be trusted to live and let go F# C# When the last of my cities have burned G# Then what s left in nothing Bbm (G#) F# Why did i waste it all wasted on you? F# C# G# I couldn t be trusted to live and let go Fill in the blanks, pencil on paper Disposable Throw away lines Intentional but unbelievable Kid you re a cut above Always just a cut above the rest If there s something left to be learned Then my time is running Why should I waste it all wasted on you?

I shouldn t be trusted to live and let go When the last of my cities have burned Then what s left in nothing Why did I waste it all wasted on you? I couldn t be trusted to live and let go
