```
Walls
All Time Low
[Verse]
Hey there it s good to see you again,
It never felt right calling this just friends,
I m happy if your happy with yourself,
Take off your shirt your shoes,
Those skinny jeans I bought for you,
We re diving in there s nothing left to lose,
[Chorus]
                             D
                                    Em
I m gonna break down these walls I built around myself,
I wanna fall so in love (so in love) with you and no one else,
                         Α
                                Em
Could ever mean half as much to me as you do now,
Together well move on, just don t turn around,
Let the walls break down,
[Verse]
I used to wear you like a ball and chain,
I d run and hide at the call of my name,
Em
It was obvious you were to much for me,
Oblivious, I was young and horny,
In retrospect I wouldn t do it again,
Stop talking shit to every one of your friends,
                                                         C
I m not the same boy you knew back then,
Cause I could break down these walls I built around myself,
I wanna fall so in love (so in love) with you and no one else,
                         Α
                                Em
Could ever mean half as much to me as you do now,
                 G
                              D
                                           C
```

Together we ll move on, just don t turn around, Let the walls break, Em F# G A B C B I can t breathe my body s shaking, CBAGF#G Got away with the way you take me, CBAGF#G Cause you break me down, GAEm C CBAGF# G You know you break me down, [Chorus] D Em C I m gonna break down these walls I built around myself, I wanna fall so in love (so in love) with you and no one else, C Could ever mean half as much to me as you do now, C Together well move on just don t turn around, G Let the walls break down, Tear down these walls I built around myself,

Let the walls break down,

Tear down these walls,

CBAGF#G

Cause you break me down (cause you break me down cause you break me down), \mathbf{c}

Let the walls break down
