Every time I think about Your grace it s clearer
You are the one I ve been searching for
to complete me

G A
When I draw near
D
You always meet me
Bm A G
Longing just to be together again
A
With every passing day
F#m
The shadows in my life fade away
E D
The more I see You face to face

Tell me all Your stories
from a thousand places
Of how You made it through
When I hear Your voice
