Out on the river s where you re gonna find me  
**Am**                      **C**                      **D**                      **Dm**                      **Am**                      **C**                      **D**                      **Dm**  
All alone with my thoughts, headed for a bounty  
                    **Am**                      **C**                      **D**                      **Dm**  
I ve been living so long in a habitat  
                    **Am**                      **C**                      **D**                      **Dm**  
Where the land s mighty rocky but the river stays flat  
                    **Am**                      **C**                      **D**                      **Dm**                      **Am**                      **C**                      **D**                      **Dm**  
Can you show me something make me part with that, oh no

[Chorus]

**C**                      **D**                      **Dm**  
But I want you near  
**C**                      **D**                      **Dm**  
I wanna whisper to your ear  
**C**                      **D**                      **Dm**  
Wanna hold your hand  
**C**                      **G**  
I wanna be your man, alright

[Outro Verse]

**Am**                      **C**  
I m gonna get you girl  
**D**                      **Dm**  
Like I got you  
**Am**                      **C**                      **D**                      **Dm**  
Wrap you up in paper, bite you  
**Am**                      **C**                      **D**                      **Dm**                      **Am**                      **C**  
You re the pretty little thing that I ve gotta have  
**D**  
Cause I want it

[Outro]

**Am**    **C**    **D**    **Dm**    (x4)
