I think that they use bar chords here, but the open chords sound okay too.

Intro: **Ebm   Bbm**

Verse:

                             Ebm   **Bbm**
Time after time, girl

                             Ebm   **Bbm**
Like Daedalus child

                                Ebm   **Bbm**
You wasted your mind, girl.

You had to be wild.

Chorus:

    C#   **G#**
Now I see that you re lost.

Ebm   **Bbm**
I gotta pain for you.

     C#   **G#**
Don t think bout what you ve done,

Ebm   **Bbm**
But what you can do.

     C#   **G#**
Time flies when you re having fun,

```
Ebm                        Bbm
But where does it go?

    C#                          G#
You flew too close to the sun.

But I ain t gonna let you run my town, no.
