

Strange Heat
Allah-Las

[Intro]

D C A

x4

[Verse]

D C A

Strange heat been coming round

D C A

Set heavy on this town

D C A

Canâ€™t tell from all the dreams

D C A

Canâ€™t say where all this leads

[Chorus]

Em A

All yellow, gold and red

Em A

Still setting in my head but

G B

For all I know

A Em

Weâ€™ve built the darkest road

[Verse]

D C A

Some will find their own way

D C A

Just living day by day

D C A

Stuck on the winters closing

D C A

On the plans you still got going

[Chorus]

Em A

All yellow, gold and red

Em A

Still setting in my head but

G B

For all I know

A Em

Weâ€™ve built the darkest road

[Bridge]

D C A

x4

[Chorus]

Em A

All yellow, gold and red

Em A

Still setting in my head but

G B

For all I know

A

Em

Weâ€™ve built the darkest road

[Verse]

D C A

Strange heat been coming round

D C A

Set heavy on this town

D C A

Burning the land of eden

D C A

Just like youâ€™ve been foreseeing
