

Strange Heat
Allah-Las

[Intro]

D C A
x4

[Verse]

D C A
Strange heat been coming round
D C A
Set heavy on this town
D C A
Canâ€™t tell from all the dreams
D C A
Canâ€™t say where all this leads

[Chorus]

Em A
All yellow, gold and red
Em A
Still setting in my head but
G B
For all I know
A Em
Weâ€™ve built the darkest road

[Verse]

D C A
Some will find their own way
D C A
Just living day by day
D C A
Stuck on the winters closing
D C A
On the plans you still got going

[Chorus]

Em A
All yellow, gold and red
Em A
Still setting in my head but
G B
For all I know
A Em
Weâ€™ve built the darkest road

[Bridge]

D C A

x4

[Chorus]

Em A

All yellow, gold and red

Em A

Still setting in my head but

G B

For all I know

A

Em

Weâ€™ve built the darkest road

[Verse]

D C A

Strange heat been coming round

D C A

Set heavy on this town

D C A

Burning the land of eden

D C A

Just like youâ€™ve been foreseeing
