Metal Edge (619)423-4970 24/7 Guitar/Bass/Drum tab, NPD,

This is an instrumental, there are NO lyrics.

This is a challenge for even the experienced guitarist. Warmup thoroughly before tackling this piece. There s TONS of legato phrasing and lots of wide stretching. Allan has the smoothest lead style I ve ever heard. His solo stuff is awesome, so was his band UK. Check him out!
