Allele

**Fm Db Fm Db Cm**

**Fm Db**

It s been so long, I can t hold on

All this suffering I ve done

**Fm Db**

I can t escape, cause inside I m breaking

**Bb**

Inside I m breaking up

**Db**

I ve been used, and it s all I can do

**Eb**

To wash it away

**Db Eb**

Have I become a face to a new name?

**Fm**

I ve tried to make it up enough

**Db Eb Fm**

Are we better off, are we better off unknown

**Fm**

I face a new day

**Eb**

Will you meet me there or disappear with no trace

**Fm**

It s happened again

**Eb**

No more wind under broken wings to remind me of angels

**Fm**

My life s been pages, open books

**Eb**

Of an empty, careless impossible waste

**Fm Eb Ab**

I can t escape, will your words confine me, or will they set me free

**Db Eb Fm**

Am I the only one to blame, for all the games we play?

**Db Eb Fm**

Are we better off, are we better off unknown

**Db Eb Fm**

Hold on to me for one more day

I feel I m fading away

**Db Eb Fm**

Are we better off, are we better off unknown

**Db**            **Eb**            **Fm**

Am I the only one to blame, for all the games we play?

**Db**            **Eb**            **Fm**

Are we better off, are we better off unknown

**Db**            **Eb**            **Fm**

I m better off unknown
