For my revenge

For my revenge

Ooh my turn around

Do you believe I will forget

Do you think that I won't see

All the lies that you are hiding behind

Now is your turn to live in fear

Now is your turn to hide in the dark

The time has come for you to feel what I feel

I can remember now  
Everything you ever said to me  
I can recall a pain  
And now the time has come  
I can remember now  
All the words that made me disappear  
I can recall the pain  
And now the time has come  
For my revenge  
This is my vengeance

Ooooh yeeeeeaheeee

Have Fun!
