

Nothing To Cry About
Alli Rogers

Verse 1:

G **C**
There's nothing to cry about tonight

Am
All your thoughts are brave

D
but they make you tired

G **C**
It's only us and the world is small and new

Am
Like I don't know anything

D
but how I'm in love with you

Chorus:

C
I'll hold you when the nights get long

G
and hold you when the times get tough

D
I'll love you when you've had too much

A **D**
and hold you when you can't get enough

C
Baby close your eyes

G
cause we are in the angles keep

D
Push your worries all aside

Am
and let me rock you back to sleep

Verse 2 (same as verse 1):

There's nothing to cry about tonight
It's not your job to know if everyone's alright

Let me tell you how perfect you are to me
And weâ€™re all that matters now as far as I can see
