Cadd9 **Asus2** **Am**
You give me something to hold on to
C **Fmaj7**
I hear your voice and it quiets my mind
Cadd9 **Am**
Every beautiful melody
Cadd9 **Am**
Every perfect piercing line
Cadd9 **Asus2** **Am**
You give me something to hold on to

C **Fmaj7**
You are a vessel of light
C
To me tonight
C **Fmaj7**
And while i wrestle with demons and appetites
Cadd9 **Asus2**
I cling to you

Cadd9 **Asus2** **Am**
You give me something to hold on to
C **Fmaj7**
You tell the stories I need you to tell
Cadd9 **Am**
Something in the way you sing
Cadd9 **Am**
Pulls me out of my lonely hell
Cadd9 **Asus2** **Am**
You give me something to hold on to

Fmaj7
Sing to me...
C **Fmaj7**
You are a vessel of light

To me tonight

Your melancholy song
