

Sunflower
Allie X

[Intro]

C 4x

[Verse 1]

C

Rose girls in glass vases

C

Perfect bodies, perfect faces

Am G F

They all belong in magazines

C

Those girls the boys are chasing

C

Winning all the games they re playing

Am G F

They re always in a different league

[Pre-Chorus]

Am

G

F

Stretching toward the sky like I don t care

Am

G

F

Wishing you could see me standing there

[Chorus]

C

But I m a sunflower, a little funny

C

If I was a rose, maybe you d want me

Am

G

If I could, I d change overnight

F

And turn into something you d like

C

But I m a sunflower, a little funny

C

If I was a rose, maybe you d pick me

Am

G

But I know you don t have a clue

F

This sunflower s waiting for you

C

Waiting for you

[Verse 2]

C

No thorns in this dimension

C

Hiding this fear of rejection
Am **G** **D**
This high I ve never felt so small
C
Not used to this attention
C
Permanently in suspension
Am **G** **F**
I wish I didn t care at all

[Pre-Chorus]

Am **G** **F**
Stretching toward the sky like I don t care
Am **G** **F**
Wishing you could see me standing there

[Chorus]

C
But I m a sunflower, a little funny
C
If I was a rose, maybe you d want me
Am **G**
If I could, I d change overnight
F
And turn into something you d like
C
But I m a sunflower, a little funny
C
If I was a rose, maybe you d pick me
Am **G**
But I know you don t have a clue
F
This sunflower s waiting for you
C
Waiting for you

[Interlude]

C 4x

[Outro]

C
I m a sunflower, a little funny
C
If I was a rose, maybe you d pick me
Am **G**
But I know you don t have a clue
F
This sunflower s waiting for you
C
Waiting for you
