

Thats So Us
Allie X

[Intro] Cm F Bb Gm
Cm F Bb Gm

Cm F
Can t do crowds, not our scene

Bb Gm
We get anxiety

Cm F
That s so you, that s so me

Bb
That s so us

Cm F
Wearing black at the beach

Bb Gm
Looking pale, feeling chic

Cm F
Thats so you, That s so me

Bb Gm
That s so us

Cm F Bb Gm
We think that politics are such a waste of time

Cm F Bb Gm
We ve been a wreck together since 2009

Cm F Bb Gm
We ve seen each other naked, seen each other cry

Cm F Bb Gm
You make me not wanna die

Cm F
What I like about you baby

Bb Gm
Is how you annoy me daily

Cm F
But you still fucking amaze me

Bb Gm
That s so us! That s so us!

Cm F
Yeah we re both a lot to handle

Bb Gm
I m a Leo, you re a Cancer

Cm F
We take on the world together

Bb Gm
That s so us! That s so us!

Cm F
We make peppermint tea
Bb Gm
And watch Space Odyssey
Cm F
That s so you, that s so me
Bb Gm
That s so us

Cm F
And I sing in the car
Bb Gm
While you play air guitar
Cm F
That s so you, that s so me
Bb Gm
That s so us

Cm F Bb Gm
We think that politics is such a waste of time
Cm F Bb Gm
We ve been a wreck together since 2009
Cm F Bb Gm
We seen each other naked, seen each other cry
Cm F Bb Gm
You make me not wanna die

Cm F
What I like about you baby
Bb Gm
Is how you annoy me daily
Cm F
But you still fucking amaze me
Bb Gm
That s so us! That s so us!
Cm F
Yeah we re both a lot to handle
Bb Gm
I m a Leo, you re a Cancer
Cm F
We take on the world together
Bb Gm
That s so us! That s so us!

Cm F Bb Gm
Cm F Bb Gm

Cm F
When I m sick, when I m sad
Bb Gm
You always bring me back
Cm F
When you re wild, when you re mad

Bb Gm

I m your girl

Cm

F

Shit gets real, good and bad

Bb

Gm

But we cry till we laugh

Cm

F

Through the pain, through the fads

Bb Gm

That s so us

Cm

F

What I like about you baby

Bb

Gm

Is how you annoy me daily

Cm

F

But you still fucking amaze me

Bb

Gm

That s so us! That s so us!

Cm

F

Yeah we re both a lot to handle

Bb

Gm

I m a Leo, you re a Cancer

Cm

F

We take on the world together

Bb

Gm

That s so us! That s so us!
