

Too Much To Dream

Allie X

E

E

There s a place I can go
Where the rides never close

G#

Come on down

E

It s a barrel of fun
Spinning round till I m numb

G#

On this merry-go-round

F#m

B

Going riding, riding, riding from me

E

Anyone can see

B

That I ve had too much to dream

F#m

I m singing till I m screaming

C#m

B

Dancing till I m bleeding

E

A cruel reality

B

When you ve had too much to dream

F#m

Better keep your eyes shut

C#m

E

Cause you don t wanna wake up

E

E

Through the mouth of a clown
Take the zipper, go down

G#

What a thrill

E

All the cocktails are pink
Wet your lips, you can drink

G#

Till you get your fill

F#m **B**
Going riding, riding, riding from me

E
Anyone can see

B
That I ve had too much to dream

F#m
I m singing till I m screaming

C#m **B**
Dancing till I m bleeding

E
A cruel reality

B
When you ve had too much to dream

F#m
Better keep your eyes shut

C#m **B** **E**
Cause you don t wanna wake up

E
Ooh, everybody s waiting
For the curtain call
Ooh, I m the fool who s busy
Singing to them all

C#m
