

**A Soft Place To Fall**

**Allison Moorer**

I'm pretty sure this is the correct tab for the song.  
\*\*Note\*\* the Solo is not included.

~BrillantÃ©27~

Verse: 1

**A**                      **D**                      **A**  
Daylight has found me here again  
**A**                      **D**  
You can ask me anything  
   **A**  
But where I've been  
**F#m**  
The things that used to matter  
   **D** **Dm**  
Seem so small  
**A**    **E**    **A**  
When you're looking for a soft place to fall  
**A**    **D**  
Don't misunderstand me  
   **A**  
Baby please  
**A**    **D**    **A**  
I didn't mean to bring back memories  
**F#m**  
You should know the reason  
   **D** **Dm**  
Why I called  
**A**    **E**    **A**  
I was looking for a soft place to fall

Chorus:

**D**  
Looking for a soft place  
**G**    **D**    **A**  
Nothing more than a small taste  
**A**  
Of a love that ended  
   **E**  
Long ago  
**D**  
Looking for a place to hide  
**G**    **D**    **A**  
A warm bed on a cold night  
**A**  
I didn't mean to hurt you  
   **E**
