A B A E B

[VERSE 1]

B **A**
Change comes in like a rising tide

E **B**
Ain t no reason ain t no signs

B **A**
It s just the way future will turn

E **B** **A E B**
It s just the way the barricades burn

B **A**
Take one step up take a step on a crack

E **B**
Daddy said it ain t no good to run with a pack

B **A**
So I m just going be stumbling on down this road

E **B**
Where it goes I ain t supposed know

[CHORUS]

B **A**
It ain t ever gonna be like it used to be

E **B**
Ain t ever gonna be like it used to be

B **A**
If I wait all my life I ll just wait and see

E **B**
It ain t ever gonna be like it used to be

[VERSE 2]

B **A**
Love shows up and love goes south

E **B**
Love knows it all ain t got no doubts

B **A**

I can't hang on only losers weep
 E **B**
Somebody ain't nobody anybody can keep

[CHORUS]

B **A**
It ain't ever gonna be like it used to be
 E **B**
Don't want to say goodbye but it'll set me free
 B **A**
If I wait all my life I'll just wait and see
 E **B**
It ain't ever gonna be like it used to be

[INSTRUMENTAL]

[BRIDGE]

B **F#m**
You might say you will but you know you won't
 E **B**
You might think you do but you know you don't
 B **F#m**
And once you give it up there ain't no getting it back
 E **B**
It don't matter if you're Cyrano de Bergerac
 B **A**
I'm ain't looking back I'm just looking up
 E **B**
I ain't no fool but I never know much
B **A**
Momma told me baby just grab it and run
 E **B**
You gotta take your shot or it'll take you down

[CHORUS]

B **A**
It ain't ever gonna be like it used to be
 E **B**
Don't want to say goodbye but it'll set me free
 B **A**
If I wait all my life I'll just wait and see
 E **B**
It ain't ever gonna be ever gonna be ever gonna be ever gonna be like it used to be
