I am in love with this song, but I can't for the life of me figure out the exact

tabbing. I'm pretty sure these chords are accurate; the sound okay with singing along.

If anyone can offer any help figuring out exactly how to play it, feel free to email or facebook me! :)

G Em C G
Boy, you make it easy to forget we ever met
G Em C
D
All this talk of keepin' touch, there's been no talkin' yet, so
Em G D
Em
Tell me when you're ready, man, and I'll call you my friend
Em D C
But I don't mind
D G
Calling this the end

G Em C G
Boy, you make it easy for a girl to lose her head
G Em C
D
Losing sleep, and losing time, hey, losers never win, so
Em G D
Em
Shake my hand, call it a tie, and I'll call you my friend,
Em D C
But I don't mind
D G
Calling this the end

G Em C G
Boy, you make it easy for a memory to bend
G Em C D
Fact and fiction fading into one confusing blend, so
Em G D
Em

I ll remember good things now, and I ll call you my friend

Em D C

But I don t mind

D G

Calling this the end

Em C D G

There are people who have changed my life

Em C D G

And there are people I have left behind

Em C D G

If you ain t up to it, I ll let it die

C

But it s up to you to change my mind

G Em C G

Boy, you ve got it easy, leaving, starting over fresh

G Em C

D

Abandoning beginnings that you brought to life and left, so

Em G D

Em

Pack your bags and say goodbye, and call me sometime, friend

Em D C

Cause I don t mind

D G

Calling this the end

Em G D C

The end, the end, the end, the end

Em G D C

The end, the end, the end, the end

C Em D

G

The end.
