Time
Allison Weiss

Time by Allison Weiss
Tabbed by: Brian Jenkins

- Capo on 2nd fret, all chords are named relative to the position of the capo.

G#	x02220
Eb	022100
Bb	x24422
C#	x57755

Intro (x4):

G# Eb Bb C#

1st Verse:

G#   **Eb**   **Bb**   **C#**
I found the Holy Bible on a bench outside the courthouse
G#   **Eb**   **Bb**   **C#**
and I am scared because I do not think of God, no
   G#   **Eb**
The thoughts that cross my mind
   Bb   **C#**
are neither holy, nor divine,
    G#   **Eb**   **Bb**   **C#** **G#**   **Eb Bb**
just simple human longings for the boy who does not believe
  C#   **G#** **Eb Bb C#**
he once believed in me

G#   **Eb**   **Bb**   **C#**
So I walked on and stuffed that heavy new book under my arm
G#   **Eb**   **Bb**   **C#**
and then I got in my car and drove on home
G#   **Eb**
I thought of words he said
    Bb   **C#**
 bout where we re going once we re dead
   G#   **Eb**
but other worries fill my head
   Bb   **C#**   **G#**   **Eb Bb**
It s selfish and I know I m wrong
       C#   **G#**   **Eb Bb C#**
but I ll miss him when he s gone

Chorus:

C#

Yeah I still fear the black
G#
 but there s no looking back
Eb
 and if I m dying, I m just dying for you, dear
C#
Can t tell which way to go
G#
 I doubt we ll ever know
Eb   **C#** (pause)
 Let s take advantage of the time that we ve got here

 Cause time s all we ve got here

Interlude:

G# Eb Bb C#

2nd Verse:

G#   **Eb**   **Bb**   **C#**
I made it home, unlocked the door, and tossed that book onto the floor
G#   **Eb**   **Bb**   **C#**
where it sat waiting like I m waiting for the truth, so
G#   **Eb**   **Bb**   **C#**
I put it in a box under my bed, with all those silly things I ve kept
G#   **Eb**   **Bb**   **C#**   **G# Eb Bb**
and I will leave it there unread, so I can get back to
            C#   **G# Eb   Bb**   **C#**
figuring out how I ll get through today and tomorrow

Chorus:

C#
Yeah I still fear the black
G#
 but there s no looking back
Eb
 and if I m dying, I m just dying for you, dear
C#
Can t tell which way to go
G#
 I doubt we ll ever know
Eb   **C#**
 Let s take advantage of the time that we ve got here

 Cause time s all we ve got here

Interlude:

G# Eb Bb C#

Bridge:

```
                        C#                                                   G#
And if it s just gonna end, what s the point of it all
          Eb
Call it quits, cut out early, this is surely your fault
C#                              G#
When I fall back to you, I am through, I am through
C#
Oh but I do, I do, I do

Chorus:

C#
Yeah I still fear the black
G#
 but there s no looking back
Eb
 and if I m dying, I m just dying for you, dear
C#
Can t tell which way to go
G#
 I doubt we ll ever know
Eb                                              C# (pause)
 Let s take advantage of the time that we ve got here
                              G# (hold)
 Cause time s all we ve got here
```
