Verse 1:

**F#**

Breathe so I can

**Bbm**

feel you on me

**F#**

and trust in

**Bbm**

everything you believe

**F#**

There s a million  
different reasons why

**Bbm**

I should hold back

But I ve come to

**G#**

far to sever it all

Do or die I ve

**F#**

taken the fall

Chorus 1:

**C#**

And so let s drive under

**G#**

cover of a blood red sky

Another mile until we

**Bbm**

finally step out from

**G#**

**F#**

the darkness of the night

**C#/F**

We ll wave goodbye to the

former lives we ll

**G#**

leave behind As they

fade away into the

**Bbm**

rear view while all these

**G#**

**F#**

streetlights pass by

Post Chorus:

**C# G#**

whoa whoa

**Bbm G# F#**

whoa whoa

Verse 2:

**F#**

Wait just for a

while and you ll

**Bbm F#**

see This could be

**Bbm**

everything that you need

**F#**

It s the perfect ending

**Bbm**

to a life of promises and

**G#**

ideals that have fallen

apart now this time it s

**F#**

right from the start

(Repeat Chorus 1)

Bridge:

**G#**

So drive with me to

**F#**

the end of the road we re

**Bbm**

on Ride this out until

**C#/F**

we end up alone

**G#**

Fate is all that

**Bbm**

we can make of it

What do you want

**Ebm**

**F#----**

to make of it tonight?

Chorus 2:

**C#**

And so let s drive under

**G#**

cover of a blood red sky

Another mile until we

**Bbm**

finally step out from

**G#**

**F#**

the darkness of the night

**C#**

We ll wave goodbye to

the former lives we ll

**C#**

leave behind As they

fade away into the

**C#**

rear view while all these

**F#**

streetlights go passing by

Chorus 3:

**C#/F**

And so let s drive under

**G#**

cover of a blood red sky

Another mile until we

**Bbm**

finally step out from

**G#**

**F#**

the darkness of the night

**G#**

We ll wave goodbye to the

former lives we ll

**Ebm**

leave behind As they

fade away into the

**Bbm**

rear view while all these

**G#**

**F#**

streetlights pass by
