Verse 1:

**A**  
I ve been waiting for the right  
**D**  
time to tell her how I feel  
**A**  
I ve been waiting so long  
**E**  
to say what s on my mind  
**A**  
But I just don t think  
**D** **E**  
that she s gonna understand  
**A**  
That we could watch a stupid movie  
**D**  
While I hold her by the hand  
**A**  
Stay up all night talking but  
**E**  
we ll never get the chance  
**A**  
So I wrote these words so  
**D** **E**  
maybe she ll understand

Chorus 1:

That I've been

**D E**

staying up all night

**A**

Waiting for a phone call

**D E**

Staying up all night

**A**

Praying that I don't fall

**D E**

Madly in love with this girl

**A E D**

that's gonna break my heart

**A E D**

she's gonna break my heart

**A E D**

she's gonna break my heart

**E--**

she's gonna break my heart

(she'll break my heart

every time I see her)

Verse 2:

**A**

Well I guess it's the right

**D**

time to tell her how I feel

**A**

It's my one last shot to

**E**

say what's on my mind

**A**

But I just don't think

**D**

**E**

that she's gonna understand

**A**

That I would drive all night

**D**

just to see her for a day

**A**

Make another broken promise

**E**

If she says that I could stay

**A**

So I wrote these words so

**D**

**E**

maybe she'll understand

(Repeat Chorus 1)

Bridge:

**C#m**

Every time I see

**D**

her smile that smile

I think that maybe she had

**A**

**E**

saved that one for me

**C#m**

Then I realize that

**D**

I m going crazy

Or maybe it s just my

**A**

**E**

imagination working overtime

**D**

Well you know the time

**E**

On a girl that s

gonna break my-

Chorus 2:

**A**

**E D**

-heart

**A**

**E D**

she s gonna break my heart

**A**

**E D**

she s gonna break my heart

**A**

**E D**

she s gonna break my heart

**E-- A A(Hold)**

she s gonna break my heart

(she ll break my heart

every time I see her)
