Verse 1:
F# C#
1871 was the year
    F#   **B**   **C#**
underneath an October sky
      F#
When a windy city man had
  B
set out with a plan to set
 F#   **C#**   **F#**
a fire but nobody knows why
   F#
So Pegleg headed out
C#
back with a match and a
F#   **B C#**
bucket of kerosene
F#
Little did he know that the
B
wind would blow through
   F#   **C#** **F#**
the streets with anarchy

Refrain:
B   **F#**

```
Pegleg didn t have an alibi
    B                     F#
He didn t have a story to tell
        B
But he bought his one way
F#                  C#
ticket straight to hell

Chorus 1:
        F#
Cuz he burned the
whole damn city
      C#
yeah Watched it all go down
          Ebm
Yeah he burned all of
    B           C#
Chicago to the ground
          F#
yeah he burned that
beautiful city
      C#
He torched that
beautiful town
          Ebm
Yeah he burned all of
    B   C#      F#    B F#
Chicago to the ground

Verse 2:
    F#
The Flames spread
            C#
fast every night
While they passed through
      F#
the alleys and the
B           C#
dead end streets
          F#
From suburban doors to
      B
the lakefront shore
  F#          C#    F#
demolishing everything
      F#
And pegleg never got
C#
blamed for the mess made
F#                B          C#
Said he never broke the law
```

```
     F#
But all that remained was
     B
the charred black stains
        F#    C#          F#
Proving every things his fault

(Repeat Refrain)
(Repeat Chorus 1)

Bridge:
   C#
Of all the books
    B                F#   B F#
printed on his terrain
      C#
None raised the flag
   B              F# B F#
on one mans legacy
Ebm
   Now everybody
B
knows the truth
          Ebm
of the stories
          B
being exposed
    Ebm
So Pegleg s going
B           C#
down in infamy

Chorus 2:
        F#
Cuz he burned the
whole damn city
      C#
yeah Watched it all go down
         Ebm
Yeah he burned all of
    B           C#
Chicago to the ground
         F#
yeah he burned that
beautiful city
    C#
He torched that
beautiful town
         Ebm
Yeah he burned all of
```

```
    B    C#      F#     B F#
Chicago to the ground
        B
Yeah he burned all of
    C#              F#     B F#
Chicago to the ground
        B
Yeah he burned all of
    C#              F#     B F#(hold)
Chicago to the ground
