B            F#      G#m

another year has come and gone
        F#        G#m              E
when everybody is running in the big race
B                   F#
 and having a good time
G#m          G#m        E
we might ve cast a shadow who am I?
E            B                       F#
 I looked, how thin the face last night
      G#m            E           B
I saw him in a mirror when he simply smiled
F#           G#m
he told me not to worry

he told me just to take my time
```
