Ain't Wastin' Time No More Allman Brothers Band

B A/B (etc.)

Last Sunday morning the sunshine Felt like rain
The week before they all
Seemed the same

With the help of God and two friends I ve come to realize I still have two strong legs And eagles wings to fly

No, I ain t wastin time no more

cause

Time goes by like

(back to B A/B vamp)

Hurricanes and faster things

Lord, lord, Miss Sally Why all your crying Been around here three long days Looking like you re dying

Just step yourself outside and Look up at the stars above Go on downtown baby Find somebody to love

Meanwhile I ain t wastin time

no more

Cause time goes by like Pouring rain And much faster things

Е

And you don t need

no gypsy to tell you why

Ε

You can t let one precious B

day slip by

Е

But look inside yourself if you

В

Don t see what you want

F#

Maybe sometimes then you don ${\sf t}$

Leave your mind alone
