

Cross To Bear
Allman Brothers Band

A7

I have not come, to testify

D9

About our bad bad misfortune

Dm9

And I ain't here a wonderin' why

A7 **F#7** **B7** **E**

But I'll live on, and I'll be strong

A7

Cause it just ain't my cross to bear.

A7

Sat down and wrote you a long letter, just the other day

D9

Said as sure as the sun rises

Dm9

Tomorrow I'll be up and on my way

A7 **F#7** **B7** **E**

But I'll live on, and I'll be strong

A7

Cause it just ain't my cross to bear.

(lead)

A7 **F#7** **B7** **E**

But I'll live on, and I'll be strong

A7

Cause it just ain't my cross to bear.

A7

But in the end baby,

D9

Don't reach out for me

Dm9

I'm not gonna carry on

A7 **F#7** **B7** **E**

But I'll live on, and I'll be strong

A7

Cause it just ain't my cross to bear.
