

**If Loneliness Was Art
Allo Darlin'**

Tabber: Glossop

There aren't many songs for Allo Darlin' which I couldn't believe as there music is incredible. Thus, I've worked out a couple and tabbed them out for everyone, even though a lot of their songs are played on a uke, they sound good on guitar too! Hope you enjoy.

A (barchord) **F#m**
You've been on your own as long as I recall:
A **F#m** **D**
If loneliness was art, I could hang you from the wall
A (open) **D** **A**
In some Berlin hall.
A (barchord) **F#m**
It doesn't matter where you've been or who you have been with,
A **F#m**
It's like the just Joans said: you're oh so sensitive! ,
D **A**
In that jumper,
D **A**
In that t-shirt.

(The rhythm changes slightly here so listen to the song to work out the strumming pattern!)

This situation has to change:

Some day I'm going to be your girl,
E
One fine day:
