

My Heart Is A Drummer
Allo Darlin'

F **Dm** **Bb**
As I am preparing myself to say farewell to my pride again
F
I remember how it was back then:
F **Dm**
I'd see you light a cigarette, and then, you'd ask me to pass your asthma
Bb
inhaler.
F
I'd say Don't you ever think about cancer ?
Bb **Dm** **C** **Bb**
You'd say Baby, you don't know but my heart is as strong as a drummer
Dm **C** **F**
My heart is as strong as a drummer
F **Dm**
You make me feel like apologising for being like this:
Bb **F**
do I have to, say I'm sorry for my happiness?
F **Dm**
You see it's like loving Graceland , it's not allowed to be but we know
Bb
it's everybody's favourite,
F **Bb**
deep down in a place where, music makes you happiest.
Dm **C** **Bb**
Deep down in a place where my heart is a drummer,
Dm **C** **F**
In a place where my heart is a drummer.
F **Dm** **Bb**
And when you call me, on the telephone my fingers will twist right through
the cords
F
and I'll slide my feet up and down the wall,
Dm **C** **Bb**
but I know that I'm stronger than you are,
Dm **C** **F**
but I know that I'm stronger than you are.
F **Dm** **Bb**
And when you call me, on the telephone my fingers will still twist through
the cords
F
and I'll slide my feet up and down the wall,
Dm **C** **Bb**
but I know that I'm stronger than you are
Dm **C** **Bb**

but I know that I m stronger than you are.
