

**Mr Wonderful**  
**Allstar Weekend**

Sooo... this song isn't exactly out yet, but they've played it on their streams and stuff before. So, here's what I've gotten out of the chorus for the chords :)

**G**    **D**  
You and me and the palm trees

**Cadd9**    **C**  
we can lay outside on the beach all night

**G**    **D**    **Cadd9**  
go swimming with the dolphins go golfing

**C**  
baby girl you can be my wife

**G**    **D**    **Cadd9**    **C**  
so don't go falling in love with Mr. Wonderful

**G**    **D**    **Cadd9**    **C**  
and I won't go running around with any other girls
