

Teenage Hearts  
Allstar Weekend

Capo 4th

**C** **Am**  
We are teenage hearts  
**Em**  
Forever young  
**F** **G** **C**  
We think we know it all but we don t  
**G**  
No we don t  
**C** **Am** **Em**  
And I heard you moved on, moved away  
**F** **G** **C**  
Somewhere down the coast is what they say  
**G**  
I think that s great

**C** **Am**  
I, I am in love  
**F**  
So much in love  
**G** **C**  
I am in love with you  
**Am**  
You are afraid  
**F**  
You pushed me away  
**G** **C**  
You are afraid you loved me too

**C** **Am** **Em**  
We would write our names on everything  
**F** **G** **C** **G**  
But we re not on the same page much these days, anyway  
**C** **Am** **Em**  
I wish it was yesterday so I could lock the gate  
**F** **G** **C**  
We d say the things we never thought we d say  
**G**  
And never let you get away

**C** **Am**  
I, I am in love  
**F**  
So much in love  
**G** **C**

I am in love with you

**Am**

You are afraid

**F**

You pushed me away

**G**

You are afraid you loved me

**Am**

**G**

**F**

We said things we didn't mean

Promises we couldn't keep

**G**

**G**

**Am**

It's funny how things change

**G**

But you don't have to be afraid

**C**

**Am**

I, I am in love

**F**

So much in love

**G**

**C**

I am in love with you

**Am**

You are afraid

**F**

You pushed me away

**G**

You are afraid you loved me

**C**

**Am**

I, I am in love

**F**

So damn in love

**G**

**C**

I am in love with you

**Am**

You are afraid

**F**

You pushed me away

**G**

**C**

You are afraid you loved me too

**C**

**Am**

We were teenage hearts

**C**

Forever young
