

Teenage Hearts
Allstar Weekend

Capo 4th

C **Am**
We are teenage hearts
Em
Forever young
F **G** **C**
We think we know it all but we don't
G
No we don't
C **Am** **Em**
And I heard you moved on, moved away
F **G** **C**
Somewhere down the coast is what they say
G
I think that's great

C **Am**
I, I am in love
F
So much in love
G **C**
I am in love with you
Am
You are afraid
F
You pushed me away
G **C**
You are afraid you loved me too

C **Am** **Em**
We would write our names on everything
F **G** **C** **G**
But we're not on the same page much these days, anyway
C **Am** **Em**
I wish it was yesterday so I could lock the gate
F **G** **C**
We'd say the things we never thought we'd say
G
And never let you get away

C **Am**
I, I am in love
F
So much in love
G **C**

I am in love with you

Am

You are afraid

F

You pushed me away

G

You are afraid you loved me

Am **G** **F**

We said things we didn't mean

Am **G** **F**

Promises we couldn't keep

G **F**

I know I meant it then

G **Am**

It's funny how things change

G

But you don't have to be afraid

C **Am**

I, I am in love

F

So much in love

G

C

I am in love with you

Am

You are afraid

F

You pushed me away

G

You are afraid you loved me

C **Am**

I, I am in love

F

So damn in love

G

C

I am in love with you

Am

You are afraid

F

You pushed me away

G

C

You are afraid you loved me too

C **Am**

We were teenage hearts
