Is it too late for me

```
All Cried Out
Allure
Verse 1:
All alone on a Sunday morning
                         C#/C C#/A# G#
Outside I see the rain is fall- ing,
                                      whoa
Inside I'm slowly dying
                      C#/C
                             C#/A#
But the rain won't hide my crying, crying, crying
    F#/G#
And you…
Chorus:
                  F#
G#
                                      G#
Don't you know my tears will burn the pillow
F#
Set this place on fire
          G#
Cause I'm tired of your lies
All I needed was a simple hello
                                                             A#m
But the traffic was so noisy that you could not hear me cry
I, I gave you my love in vain
F#
My body never knew such pleasure
                       F/A A#m
My heart never knew such pain
            G#
And you, you leave me so con-fused
                      F#/G# G#
Now I'm all cried out
             C#/C C#/A#
C#
                            G#
Over you
Verse 2:
C#
Never wanted to see things your way
                 C#/C
Had to go astray
   C#/A#
Oh why, was I, such a fool
Now I see that the grass is greener
                     C#/C
```

```
C#/A#
To find my way home
                                        F#/G#
                 G#
                                                G#
How could I be so wrong (leaving me all alone)
Chorus 2:
                  F#
                                      G#
Don't you know my tears will cause an inferno
Romance often fades
          G#
Why should I take the blame
                               G#
You were the one who left me ne-glected (I'm so sorry baby)
Apology not accepted
                    F/A
                                    A#m
Add me to the broken hearts you've collected
                    G#/F
I, I gave you all of me (gave you all of me)
F#
How was I to know
                F/A A#m
You would weaken so easily
                        G#/F
I, I don't know what to do (I don't know what to do)
                           G#
                     F#/G#
Now I'm all cried out
    C#
Over you
Instrumental:
C# C#/C C#/A#
F# F F# G# A#m
Chorus 3:
                        G#/F
     G#
I, I gave you my love in vain
My body never knew such pleasure
                        F/A A#m
My heart never knew such pa-in
And you
   G#
                   G#/F
You left me so con-fused
                         F#/G#
Now I'm all cried out (all cried out)
                  G#
Now I'm all cried out (all cried out)
        C#m F#sus C#
```

Over you…
