Is it too late for me

```
All Cried Out
Allure
Verse 1:
All alone on a Sunday morning
                         B/C B/A# F#
Outside I see the rain is fall- ing, whoa
Inside I'm slowly dying
                      B/C B/A#
                                           F#
But the rain won't hide my crying, crying, crying
    E/G#
And you…
Chorus:
F#
                                     F#
Don't you know my tears will burn the pillow
Set this place on fire
         F#
Cause I'm tired of your lies
All I needed was a simple hello
                                    Eb
                                                              G#m
But the traffic was so noisy that you could not hear me cry
I, I gave you my love in vain
My body never knew such pleasure
                        Eb/A G#m
My heart never knew such pain
            F#
And you, you leave me so con-fused
                     E/G# F#
Now I'm all cried out
           B/C B/A#
                         F#
Over you
Verse 2:
Never wanted to see things your way
Had to go astray
   B/A#
Oh why, was I, such a fool
Now I see that the grass is greener
                     B/C
```

```
B/A#
To find my way home
                                              F#
                 F#
How could I be so wrong (leaving me all alone)
Chorus 2:
                                     F#
Don't you know my tears will cause an inferno
Romance often fades
          F#
Why should I take the blame
                              F#
You were the one who left me ne-glected (I'm so sorry baby)
Apology not accepted
      Eb
                     Eb/A
                                      G#m
Add me to the broken hearts you've collected
                    F#/F
I, I gave you all of me (gave you all of me)
How was I to know
                 Eb/A
                        G#m
You would weaken so easily
                        F#/F
I, I don't know what to do (I don't know what to do)
                    E/G# F#
Now I'm all cried out
Over you
Instrumental:
B B/C B/A#
E Eb E F# G#m
Chorus 3:
     F#
                        F#/F
I, I gave you my love in vain
My body never knew such pleasure
My heart never knew such pa-in
And you
   F#
                  F#/F
You left me so con-fused
                        E/G# F#
Now I'm all cried out (all cried out)
                 F#
Now I'm all cried out (all cried out)
        Bm Esus B
```

Over you…
