

Perfect

[Intro] C G Em D
 C G Em D

C G
You re not trying to change me
Em D
Even though I m crazy

C G
When it s all too much then you take me home
Em D
Wearing no make-up, think I m beautiful
C G Em D
And when I m all messed up, you let me be me

C There s always gonna be somebody smarter **G**
Em Someone prettier who works a little harder **D**
C Someone that who ain t afraid to take it farther **G**
Em And everytime I feel like I ain t really worth it **D**
C Then you say I m perfect **D**
C I know there s always gonna be somebody better **G**
Em Someone easier who s got it all together **D**
C And everytime I feel like I ain t really worth it **G**
C Then you say I m perfect **G**

C **G**
Then you say I m perfect

C **D**
Then you say I m perfect

C G
I know you never judge me
Em D
When I make it hard to love me

C G
When it s all too much then you take me home
Em D

Wearing no make-up, think I m beautiful

C G Em D

And when I m all messed up, you let me be me

C G
There s always gonna be somebody smarter

Em D
Someone prettier who works a little harder

C G
Someone that who ain t afraid to take it farther

Em D
And everytime I feel like I ain t really worth it

C D
Then you say I m perfect

C G
I know there s always gonna be somebody better

Em D
Someone easier who s got it all together

C G
And everytime I feel like I ain t really worth it

C G
Then you say I m perfect

C G
Then you say I m perfect

C D
Then you say I m perfect

C G
Then you say I m perfect
