Baby

Ally Heman

Hey so ehh..I dont know if the lyrics are right but this is the way i sing it anyway.

intro:

Em

This

C

Em C G D x2

Your glare feels like the heat of the arizona sun

Em C G D

It makes me want to get up, turn my back and run

Em C G D

My skin just crawls whenever im near you

Em C G D

Guess im just confused, thinking lies are truths

Em C

when i know better, should ve known better

G D

Better than a broken heart love-letter

Em C G D

I fell like i dont know you, let alone myself

I don t know who I am anymore since

G D

You walked out on me

Em

I forgot about

C

The person that

G D

I m supposed to be

Em

I hate

C G

The feel of Remembering the feel

D Em C

of when you call me baby

G

I know

D

This can t be

Em

```
Possibly be real
                   Em C
You used to call me baby
 I still remember how you push your lips to mine
                            G
 I can t forget it you drove me out of my mind
You made me feel
                         G
Like I was flyin like a bird
Really trusted you
I believed your every word
   Εm
But I was better
I loved you better
Better than the way you used to let her
It s like I never knew you
Cause I don t know myself
I don t know who I am anymore since
You walked out on me
Em
I forgot about
The person that
I m supposed to be
Em
I hate
The feel of Remembering the feel
of when you call me baby
I know
This can t be
Em
```

Could not
