VERSE 1

G

Somebody told me

D/F#

Time is on our side

Em7

But how can I believe that

Cadd9

When you re still on my mind

G

And I analyze everything that you say

D/F#

I cannot leave you for one day

Em7

I ll try to

Cadd9

But I can t walk away

G

It s been a month now

D/F#

I should be over you

Em7

I just want myself back

Cadd9

This ain t what I m used to

G

I m desperate for somethin

D/F#

I m desperate for lovin

Em7 Cadd9

The one who made me this way

G

I m sick of my own mind

D/F#

Don't want the saddest kind

Em7 Cadd9

Of this happiness

G

I'm desperate

D/F# Em7 Cadd9

G

Wish it would storm now

D/F#

Do you know how rare that is

Em7

For me to listen to the raindrops

Cadd9

And try to undo what I did

G

Not one for regrets

D/F#

And I usually don't like rain

Em7

But you made me do each one

Cadd9

From all this stupid heartbreak pain

G

I've had enough time

D/F#

To make myself hate you

Em7

Why won't it just work

Cadd9

This ain't what I wanna do

G

I'm desperate for somethin
