

The Sore Feet Song

Ally Kerr

**G F C G**  
I walked ten thousand miles, ten thousand miles to see you,

**G F C G**  
And every gasp of breath i grabbed at just to find you,

**G C G C**  
I climbed up every hills to geeet, to you,

**G C G C**  
I wondered ancient lands to hooold, just you.

**F C F**  
And every single step of the way, of pai he he he - hain,

**G**  
Every single night aaaand daaaay,

**C G**  
I searched for you.

**G D C G**  
Through sandstorms and hazy dawns i reached for you.

**G F C G**  
I stole ten thousand pounds, ten thousand pounds to see you,

**G F C G**  
I robbed convenient stores coz i thought they d make it easier.

**G C G C**  
I lived off rats and toads, and i staaaarved for you.

**G C G C**  
I fought off giants bears and i killlled them too.

**F C F**  
And every single step of the way, of pai he he he - ain,

**G**  
Every single night and daaaay,

**C G**  
I searched for you.

**G D C G**  
Through sandstorms and hazy dawns i reached for you.

**G**                                      **D**                                      **C**                                      **G**  
I m tired and i m weak, but i m strooong for you.

**G**                                      **D**                                      **C**                                      **G**  
I wanna go home, but my love gets meeee through.
