

Green Lights

Aloe Blacc

C

Something special happened today

Dm

I got green lights all the way

F

with no big red sign to stop me

C

no traffic jam delay

C

See I was driving over the moon

Dm

in my big hot air balloon

F

floating high into the darkness

C

I hope I get there soon

C

It s so many things to do

Dm

so many people I need to talk to

F

and they ve all been waiting for me

C

well I gotta make it through

C

Something special happened today

Dm

I got green lights all the way

F

C

no traffic jam delay

C

Thank my stars for every green

Dm

you have no idea what it means

F

to a man who s always traveling

C

who s seen the things that I ve seen

C

I don t know what s yet to come

Dm

not sure if anything I ve done

F

really makes that much a difference

C

well I hope it has for some
