

**Tonight Downtown**  
**Aloe Blacc**

capo 2 fret

The Chords are the same throughout the song **Em, G, D, and Am**

**Em**                                  **G**                                  **D**                                  **Am**  
Ain t nothin you can tell me that I don t already know  
Been around the block a few times, I seen it all before  
I know people in high places, hot tub in the penthouse suite  
But all my real friends to the end still grind in the downtown street

**Em**                                  **G**  
Tonight I m goin downtown, I m goin downtown

**D**                                  **Am**  
I m goin down d-down d-down downtown

**Em**  
I m gettin down... yeah
